PIGITA'S HOME HUNT

A special interactive game based on 'The Adventures of Cu & Rio'.

The environment in which animals and plants live, is referred to as their habitat. Fill in the missing letters and match the following animals and plants to their **habitats**.

P _ N _

T _ E _

FOR _ S _

D _ S E _ T

O _ E _ N

These are some of the **festivals** celebrated in our country. Fill in the vowels, to find out their names.

_ N _ M

R _ M Z _ N

_ H _ R _

G _ R _ R _ B

H _ L _

D _ W _ L _

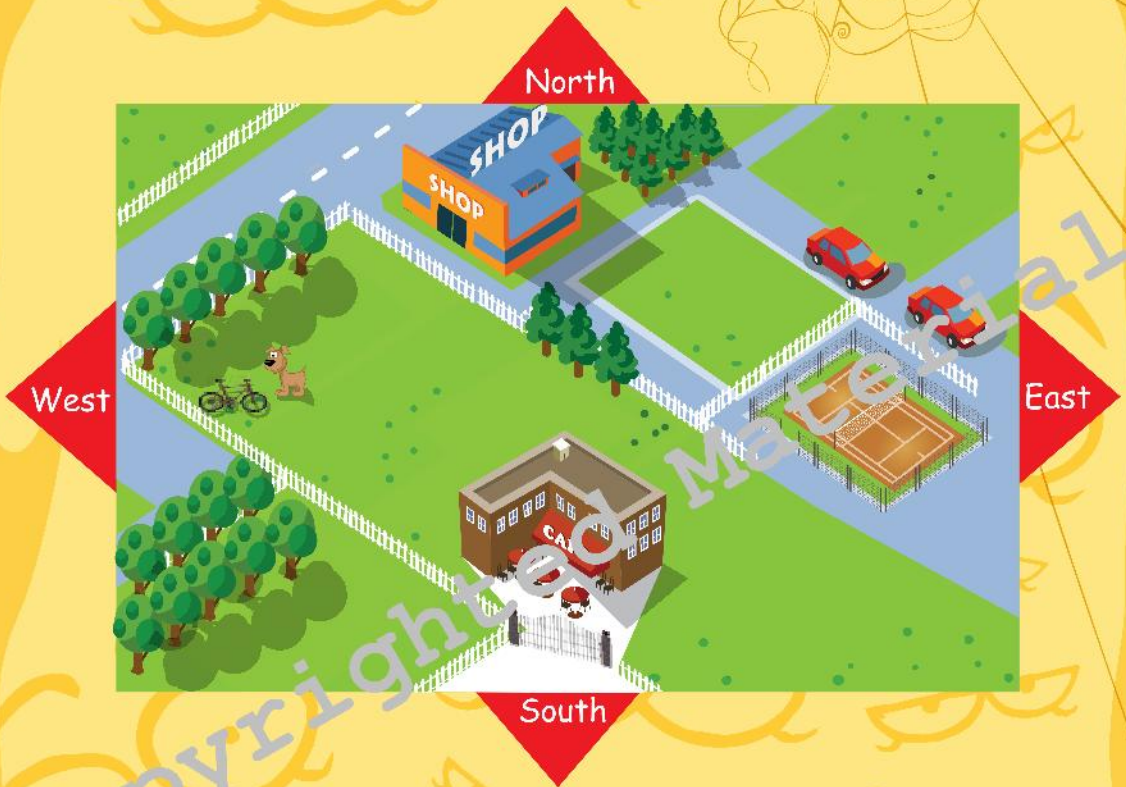

P _ N G _ L

CHR _ STM _ S

The four directions are North, South, East and West. They tell you, where something or someone is present. Observe the picture and write the names of the things found in different **directions**.

WHAT IS LOCATED IN THE

North _____

South _____

East _____

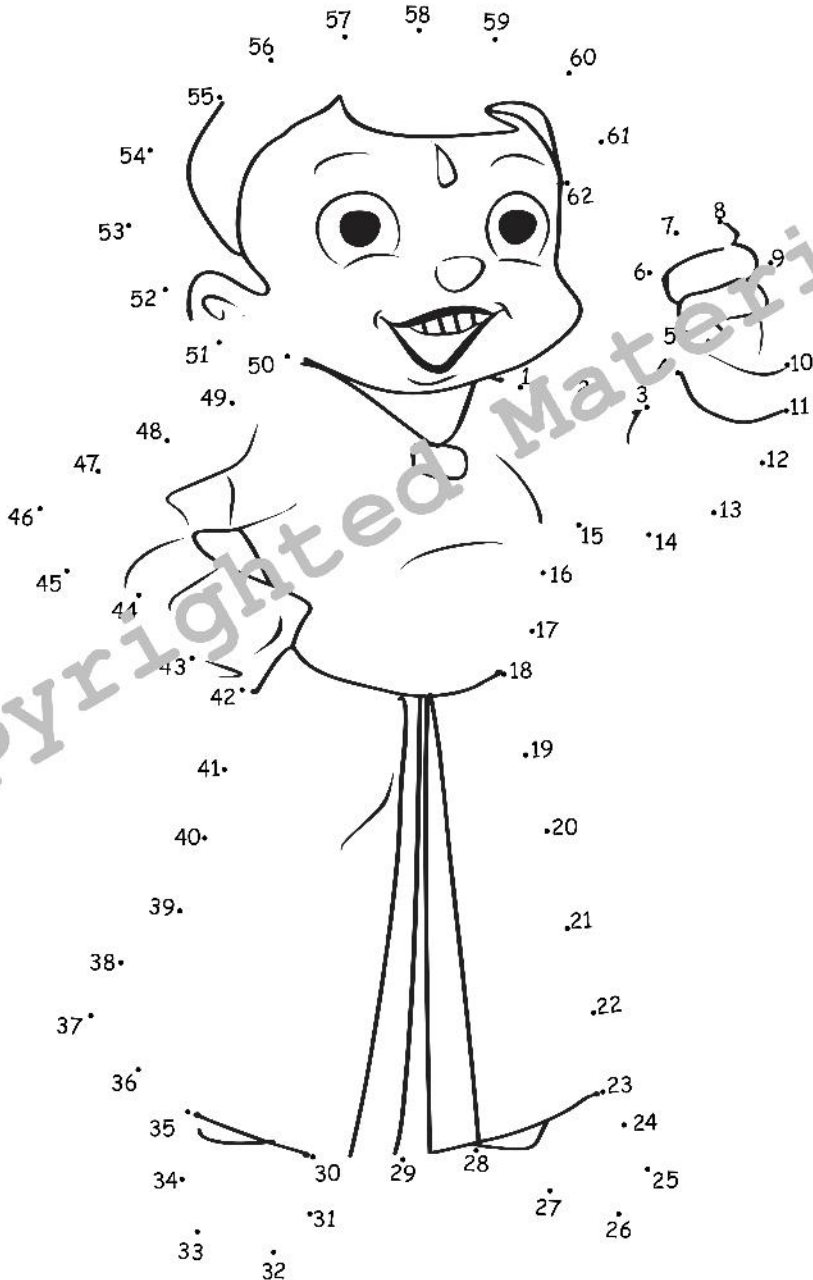

West _____

Name the pictures and write 'L' if it is a **living thing** or 'NL' if it is a **non-living thing**.

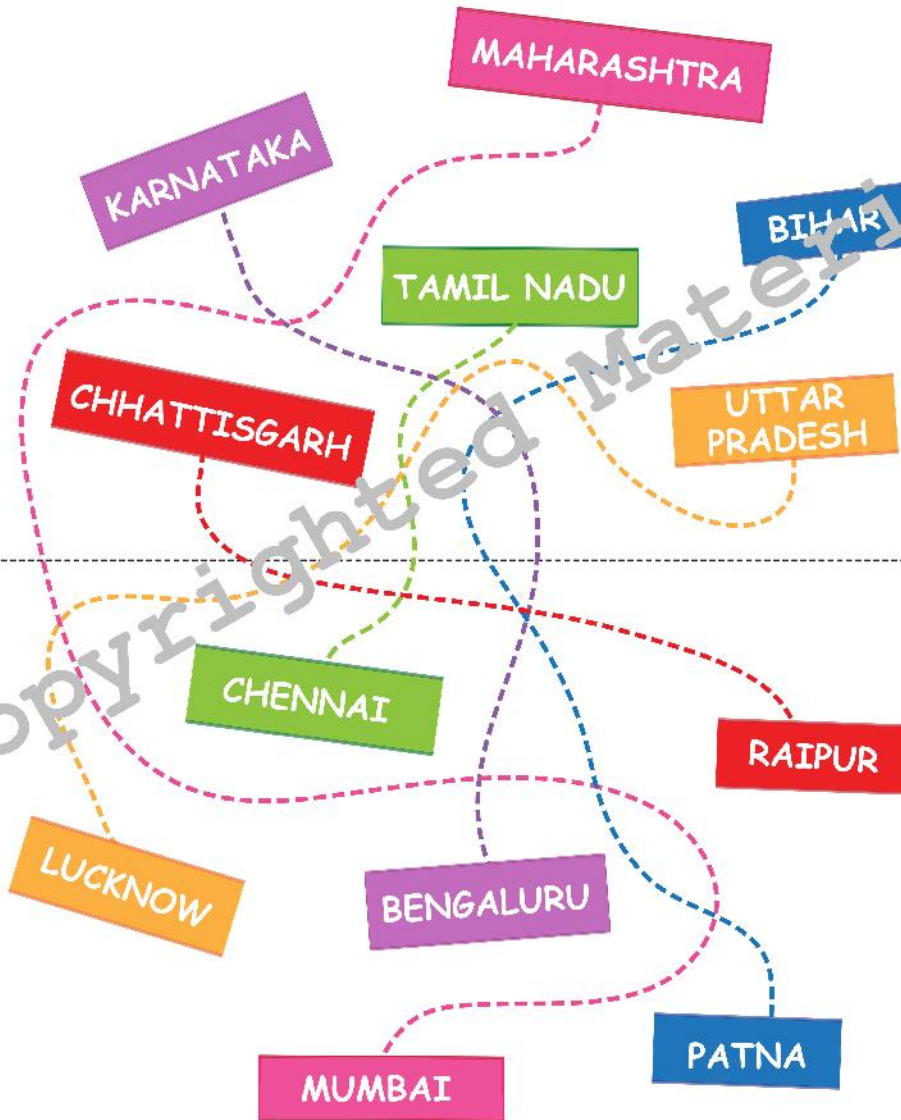

Join the dots to see what you get. Also, colour the picture.

Given below are the names of the **states** in **India** and their **capitals**. Starting from the top, choose a state's name and follow the dotted line to find its capital.

STATES

CAPITALS

Complete the pattern by drawing and colouring the shapes.
